

**UNITED STATES DISTRICT COURT**  
**DISTRICT OF NEVADA**

EDWARD JOHNSON,

Plaintiff,

vs.

WAL-MART STORES, INC., *et al.*,

Defendants.

Case No. 2:11-cv-00681-RCJ-GWF

**ORDER**

Emergency Motion to Extend  
Discovery Deadlines (#18)

This matter comes before the Court on Impex's Emergency Motion to Extend Discovery Deadlines Pursuant to Local Rule 26-4 and 6-1, Compel Authorizations from Plaintiff, Compel Written Discovery Responses from Defendant/Cross-Claimant Wal-Mart, and for Sanctions Against Defendant/Cross-Claimant Wal-Mart (#18), filed on October 6, 2011. On October 11, 2011, the Court entered a Minute Order (#19), setting the motion for hearing on October 20, 2011, and shortening the parties' response time.

On October 14, 2011, the Impex filed a Notice of Withdrawal of Portions of Defendant's Motion (#20), notifying the Court that it intends to withdraw portions of the motion which seek to compel discovery from and sanctions against Wal-Mart. On that same day, Wal-Mart filed their Statement of Non-Opposition Only to Those Portions of Defendant's Motion Seeking Extensions of Discovery Deadlines, Extension of Discovery Period, and/or Discovery Relief Against Plaintiff Edward Johnson (#21). In light of these filings, the Court vacated the scheduled hearing (#22). On October 18, 2011, Impex filed an additional Notice of Withdrawal of Portions of Motion (#24), informing the Court that the parties reached an agreement as to the requested Authorizations and therefore intends to withdraw the portion of its motion which seeks to compel Authorizations

...

1 from Plaintiff. On October 18, 2011, Plaintiff Edward Johnson filed his Non-Opposition to  
2 Impex's Emergency Motion to Extend Discovery Deadlines Pursuant to Local Rule 26-4 (#23).

3 As a result, the only issue before the Court is Impex's request to extend the discovery  
4 deadlines in this case. Neither Wal-Mart nor Plaintiff oppose this extension of time. Therefore, the  
5 Court will grant Impex's request. Accordingly,

6 **IT IS HEREBY ORDERED** that Impex's Emergency Motion to Extend Discovery  
7 Deadlines Pursuant to Local Rule 26-4 and 6-1 (#18) is **granted**. The discovery deadlines in this
